I.S. Families,

We have reached the halfway mark of MP 1. Progress reports will be sent home to all students on Wednesday, Sept. 25<sup>th</sup>. If you have any questions or concerns, please contact your child's teachers. If your child is struggling or if you feel they need to be challenged more, you can talk to your child's teacher about MTSS (multi-tiered system of supports). MTSS is a team approach to support students academically, socially, and behaviorally. I can explain more about MTSS if you have any questions about it.

**HSA Chicken BBQ pick up is on Saturday, September 28<sup>th</sup> at the Banty Rooster.** Don't forget your ticket. Thank you to all who supported this HSA fundraiser and a huge thank you to the Banty Rooster for making this fundraiser happen.

Our students will be taking CDTs next week. CDTs are taken three times each school year to assess students' academic growth in core subjects. Teachers and students review the assessment scores and this year students will set goals to improve their achievement on the CDTs as the year progresses. CDTs will be given on 9-24 and 9-26. If your child misses the CDT assessments, they will make them up upon their return to school.
