- I recently had the opportunity to support the middle school section at one of the high school football games; many of our Riverview students from last year were in attendance and represented in a positive way!

- At recess we are hearing our students use the character strong language that is used over announcements and taught in the classroom
- We wrap up testing for MAP Friday, and we are seeing continued positive growth for students! Thank for allowing our teachers to partner with you, and your child in their learning!

Other Information/pictures:

- Be sure to check out our Riverview Website as another mode of receiving information!
- <https://res.gfps.k12.mt.us/>
- Our lost and found is filling up quick! We encourage you to have your student check for their items. We do allow items to accumulate for about a month before we take items to other schools in need or goodwill.
- Be sure to check the lunch menu each month for different “color your plate” activities. This is part of the Get Fit Great Falls initiative. There are monthly challenges to participate in using the QR code on the menu.

- Don't forget to sign up for free/reduced lunch before Oct. 9th. After that, students will be charged full price. This needs to be done yearly.
