

Expectations

1. You are expected to come to practice unless you have a legitimate reason. This must be communicated to your coach prior to practice. Obviously, if you are absent from school, you are excused.
2. Jewelry (rings, earrings, studs, etc.) should not be worn during practices. This is potentially hazardous to you and your teammates.
3. Please bring your own water bottle to practice. This will save time when we have breaks and players won't need to go to the drinking fountains (more sanitary as well). All water bottles must be picked up before leaving practice.
4. Your assistance is required in putting the equipment away after practice.
5. GPAs will be monitored throughout the season. *You must maintain a 2.0, without any Fs.* Anyone falling below the required minimum will be placed on probation and **will not** play in games.
6. Players are expected to show Pioneer PRIDE on and off the field.
7. Players will be expected to help set up and take down before all home games.
8. For away games, your parents must sign you out before leaving the site. **If you are leaving with another teammate, you need to provide the coach with a note from your parent(s) or guardian.**
