## Athletic Fees

There is a \$50 (\$75 for Boys Lacrosse) athletic fee for ***EACH*** sport that will need to be paid before your athlete can compete. This can be paid on your Infinite Campus Parent Portal or by sending check or cash with your athlete to the Business Office (Mrs. Behnke) or to the Athletic Office (Mrs. Steinke)

# Athletic/Activity Attendance Expectations

Athletes are required to be at school for at least half a day to be able to practice or compete. Head coaches oversee their athletes' attendance every day before practice or games in Infinite Campus.

## Grade Expectations

A student-athlete is just that, a STUDENT- athlete. Academics come before athletics, therefore at the end of each **QUARTER** students failing one or more classes will become Academically Ineligible. While ineligible, they are allowed to practice but not compete until they have completed the necessary requirements:

- In order to be academically eligible to participate in competitions/events, a student must have no failing grades. A student not meeting this criterion will be ineligible for games/competition/events for fifteen (15) consecutive scheduled school days and nights. The ineligibility will begin on the fifth (5th) scheduled school day following the end of the first (1st), second (2nd), or third (3rd) quarter.
- To regain academic eligibility, the student must complete a grade check form from the activities director and obtain signatures of all their current grading teachers. This should be done on day 13 or 14 of their ineligibility
- If a student has no F's or I's after the grade check form is completed, they would become eligible on the 16<sup>th</sup> school day. If the 15<sup>th</sup> day falls on a Friday, the student is not eligible until Monday. To maintain eligibility, the student must complete a second grade check form on day 30 to ensure continued passing grades in all classes.
- Grade changes and removal of an incomplete grade (I) must be completed within two weeks of the date grades are posted for students to maintain eligibility.
- It does NOT matter what class the student received the F or I in—it still counts towards academic ineligibility.
- **Only quarter grades affect eligibility, semester grades do not affect eligibility.**
- **Only full-time students are allowed to participate in athletics.**
