

# Newbery Club

The Newbery Club is for any student who loves to read! Club members have exclusive access to a select list of 10 books published in the current year. The club acts as a mock Newbery Selection Committee, considering the official Newbery criteria as we discuss and evaluate our books. In January/February, club members vote on our mock Newbery award winner. In addition to our meetings, we also utilize Microsoft Teams as a virtual space for book discussions and activities. This club is a collaboration with Calkins Road MS, Willink MS, and Johanna Perrin MS. BRMS PTSA funding helps support the Newbery Club each year.

## **Club Expectations:**

- Attend as many meetings as you can. It's ok to miss a few as long as you are reading and participating in book discussions on the Newbery Club Teams page.
- Read all (or most) of the required books.
- Share ideas and opinions respectfully & with an open mind.
