## Staley Families-

North Kansas City Schools values community involvement and has clear guidelines in place to provide the safest, most enjoyable experience at our athletic and activity events. Please take a few minutes to review these reminders before joining us at an event this fall:

- Only students from participating schools are allowed to attend events without prior administrative approval.
- Our gates will be open for public entry through halftime. There will be no admission to the game after halftime, and no re-entry is allowed.
- No backpacks or bags are allowed for spectators at any NKC Schools events. Purses and belt bags are subject to search. Medical equipment and supplies are permitted.
- Visitors must enter and exit through the visiting gates on the east side of the District Activities Complex.

All school district policies remain in effect during all activity and athletic events. Thank you for partnering with us to make NKC Schools events safe and enjoyable for everyone in our community.

Dr. Brandon McCoy

Assistant Principal/Activities Director

Staley High School
