Parent and Family Engagement (PFE) Program 2024-2025

What is it?	Murry Fly Elementary is dedicated to its vision: to be the academic leader for our community by encouraging students to be self-motivated; leading students to reach their full potential using academic rigor; involving parents in their child’s lifelong learning experience; providing a safe and nurturing environment with involvement of stakeholders from the community. Our goal of establishing and upholding relationships with families and the community, we work to provide each student with a high-quality education that is tailored to their unique needs. We do this, in part, by taking part in the Title 1, Part A State Program. As a condition of receiving financing from this program for low socioeconomic schools, we agree to uphold the standards set by the Texas Education Agency and the US Department of Education.
Funding	Title 1 funds will be apportioned for the implementation of the parent and family engagement program. Parents of participating children will be meaningfully consulted during the planning and implementation of such programs, activities, and procedures.
Review	Upon request, the Texas Education Agency will assess every activity and use of funds to ensure it meets the requirements of the PFE Program.
Family Meetings	<p>Parent meetings give the school and families a chance to exchange and collaborate on important information. The cafeteria or library will always be the location for these meetings. Families may enter through the main entrance on West Westview Drive. The information will be provided in person/Spanish/English during the two coordination meetings. Two meeting times are provided for the convenience of the family.</p> <ul style="list-style-type: none"> ➤ Thursday, September 12, 2024 at 5:30 pm. ➤ Monday, September 16, 2024 at 8:00 am.

<p>Forms of Academic Assessments</p>	<p>At Murry Fly Elementary, PreK teachers use the CLI-Circle Progress Monitoring System twice a year to evaluate and monitor student growth. Kinder students are evaluated using mClass in order to measure math and literacy development. Students in grades K-5th are evaluated using MAP assessment three times per year in both reading and math to progress monitor student development. Students in 3rd – 5th are tested in Science and all EB students test in their both English and Spanish. Students in 3rd-5th grades complete the State of Texas Assessment of Academic Readiness, or STAAR test. The STAAR test measures student achievement in grades 3rd-5th and measures student progress in reading and math for 4th and 5th grades. Bilingual students in K-5th grades are also evaluated in their language proficiency through the Texas English Language Proficiency Assessment System (TELPAS). In addition, every teacher in K-5th grades administers the district’s Short Cycle formative assessments at the end of each unit. These tests are geared toward the Texas Essential Knowledge and Skills (TEKS).</p>			
<p>Expected Achievement Levels on Academic Assessments</p>	<p>The State’s Performance Standards can be located on the following website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards The Texas Essential Knowledge and Skills for each grade level can be found on the TEA website at: https://tea.texas.gov/academics/curriculum-standards/teks-review/texas-essential-knowledge-and-skills Murry Fly Elementary tracks each student’s development through SCA’s and other forms of assessments as listed above. Teachers work with students to help them monitor their own academic development.</p>			
<p>Ways to Request Regular Meetings</p>	<p>We want our school to be a place where everyone feels safe and comfortable. We welcome any ideas, feedback, and concerns from parents and guardians. Parents and guardians may voice any suggestions, ideas, or concerns to teachers or the administration at any time. Parents and guardians can set an appointment with the office or email teachers and administrators directly.</p>
