2024-25 School Profile

Manteca High is one of five comprehensive, four-year high schools in a community of approximately 94,000 people. It is located in the San Joaquin valley, 60 miles south of Sacramento, the California state capitol.

Mission Statement: To provide an environment for students to become productive citizens in a rapidly changing global society.

Administration:

- Principal – Megan Peterson
- Assistant Principal – Neil MacDannald
- Vice Principal – Debi Chavez
- Vice Principal – Frank Fontana
- Athletic Director – Eric Reis

Counseling Staff: Wayne Cheung, Rocio Carillo, Janeen George, Kim Martinez, Frank Triglia, Melissa Woods

Accreditation: Western Association of Schools and Colleges

Enrollment: 1913 students

Method of GPA and Ranking: Determined at the end of the junior year, seniors are ranked numerically according to grade point average. The GPA is weighted and includes all courses with a letter grade A-f. In accordance with policies established by the University of California, students completing Advanced Placement (AP) courses will receive recognized extra grade points within their GPA calculation.
