

NORRIDGE
SCHOOL DISTRICT 80
PARENT UNIVERSITY

MTSS NIGHT

**THURSDAY
OCTOBER 3RD
LEIGH SCHOOL
6PM**

WHO SHOULD ATTEND?

Parents of students who are receiving a Tier II or Tier III intervention in Reading, Math or Social Emotional Behavioral skills are highly encouraged to attend.

WHAT IS MTSS?

Think of MTSS as an umbrella for everything that we do at school. We focus our instruction around Reading, Math and Social Emotional Behavioral skills for all students. Sometimes, students might be finding reading, math, or even navigating social and emotional challenges a bit tricky. We all know every child is unique, and sometimes they need a little extra boost, that is where our Tier II or Tier III supports come into play.
