Virtual Visits Deliver Care Anytime, Anywhere

It's easy

- ☑ Call your in-network doctor and ask if they offer virtual visits. They already know you and have access to your medical records.
- ☑ If your primary care doctor doesn't offer virtual visits or if you need care after hours, Teladoc offers primary care 24/7. Teladoc also offers specialist care for dermatology and mental health.
 - Register by downloading the Teladoc mobile app, visit [Teladoc.com](https://www.teladoc.com) or call 800-TELADOC (835-2362).
 - Fill out your medical history.
 - Request a visit. State the reason for your visit and your preferred time.
 - Enter the virtual waiting room for your appointment.

During a virtual visit, you can be diagnosed, treated and prescribed medication. If you use Teladoc, details of your visit can be shared with your family doctor at your request.

IMPORTANT TO KNOW

What it means to stay "in-network" and why it saves you money

Think of it this way: in-network is about getting health care from a broad range of providers who are part of your health plan. So, for in-network, that means a group of doctors, hospitals, and other health care providers have agreed to give you discounted rates because you're a Florida Blue member.

They negotiate for you, so, you'll have fewer out-of-pocket costs when you get care. And they can't send you a bill for more than what has been agreed to - this is called balance billing and you're safe from it, as long as you stay in-network.

MEDICAL PLAN PREMIUMS

Your employee contributions for this plan year are based on your choice of plan and coverage tier.

Listed below are per-pay-period costs for you and your dependents effective October 1, 2023 – September 30, 2024:

Health and Well-Being Resources

We are dedicated to helping you and your family be healthy and fit. As a covered member, you and your covered dependents have access to the following benefits and resources.

PREVENTIVE CARE

One of the best ways to stay healthy and mitigate health risks is to follow established guidelines around preventive care, including check-ups, screenings, and immunizations. Your medical, dental, and vision plans cover in-network eligible well care visits, screenings and immunizations at no cost for you and your covered family members.

If you use out-of-network providers, deductibles and coinsurance apply.

TELEMEDICINE

If you have a cold, sore throat, sinus problem or other benign conditions, you may be able to skip the doctor's office and receive expert care from the comfort of home. This virtual visit benefit allows you to video conference with a doctor using either your mobile device or computer. If a prescription is needed, your doctor will send the script to the pharmacy of your choice.

To learn more about virtual visits, visit www.floridablue.com.

Access to virtual visits and prescription services may not be available in all states.

Are you a SPENDER OR A SAVER?

Unlike other healthcare accounts, funds in your HSA do not expire and are not contingent on employment. Not only does your balance accrue interest, you have the option to grow your money even more by investing in a select list of Mutual Funds.

‘Spender’ or short-term investor: Earn interest on Savings

Your HSA cash account with WealthCare is similar to an interest-bearing checking or savings account. Savers will enjoy earning a competitive interest rate on all contributions, and the interest accumulates tax-free.

‘Saver’ or long-term investor: Powerful Options

Your HSA investment account was designed for accountholders who are interested in using their HSA as a long-term savings vehicle. You must maintain a balance in your HSA of \$1,000 and anything in excess of this amount may be invested in increments of \$1.00. After you enroll go to the “Investment Tab” to find out more information.

FREQUENTLY ASKED QUESTIONS:

How can I contribute money to my HSA?

1. Pre-tax payroll deductions chosen through your online Plansource enrollment.
2. You may also contribute in lump sums directly from your personal health savings account.

Can I change my contributions to my HSA during the year?

Yes, unlike other pre-tax benefits, you are able to adjust your payroll contributions by visiting Human Resources at the District Office.

Do I have to keep my receipts?

You will be responsible for retaining your HSA records and all receipts. When using your HSA dollars, there are forms that will need to be provided as you file your yearly taxes.

Out-of-Pocket Maximum

The maximum amount of coinsurance a plan member must pay towards covered medical expenses in a calendar year for both network and non-network services. Federal Notices

IMPORTANT NOTICE FROM BRADFORD COUNTY SCHOOL DISTRICT ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Bradford County School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Bradford County School District has determined that the prescription drug coverage offered by all medical plan offerings is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare drug plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

When will you pay a higher premium (penalty) to join a Medicare drug plan?

You should also know that if you drop or lose your current creditable coverage with Bradford County School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What happens to your current coverage if you decide to join a Medicare drug plan?

If you decide to join a Medicare drug plan, your current coverage with Bradford County School District will not be affected. Your current coverage pays for health expenses in addition to a prescription drug. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all your current health and prescription drug benefits. [See pages 7 - 11 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.]

If you do decide to join a Medicare drug plan and drop your current Bradford County School District coverage, be aware that you and your dependents will be able to get this coverage back only during a qualified life event or during the annual enrollment period.

For more information about this notice or your current prescription drug coverage...

For further information contact Bradford County School District's Human Resources Department at 904-966-6008. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Bradford County School District changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Visit medicare.gov

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

MICHELLE'S LAW

Michelle's Law protects a postsecondary student from losing full-time student status under an employer's medical coverage if the student is (i) a dependent child of a participant or beneficiary under the terms of the plan, and (ii) enrolled in a plan on the basis of being a student at a postsecondary educational institution immediately before the first day of a medically necessary leave of absence from school. A dependent covered under the law is entitled to the same benefits as if the dependent continued to be enrolled as a full-time student. The law also recognizes that changes in coverage (whether due to plan design or a subsequent annual enrollment election) pass through to the dependent for the remainder of the medically necessary leave of absence.

WOMEN'S HEALTH & CANCER RIGHTS ACT OF 1998 (WHCRA) NOTICE

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and physical complications of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator.

CHIPRA - PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov. If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live outside Florida, you may be eligible for assistance paying your employer's health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility: See FULL listing on Plansource, your benefits enrollment portal.

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Bradford County School District's Human Resources Department at 904-966-6008.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section.

However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
