SAFETY TOWN HALL RECAP

Dear MUSD Parents,

This week, we hosted a Safety Town Hall in collaboration with the Maricopa Police Department, addressing your questions and concerns about the safety of our schools. We discussed important topics like school threats, mental health resources, and the steps we're taking to strengthen security across our campuses.

For those who couldn't join us, a recording of the event is available online, along with the handouts that were shared. You can find both by visiting the [MUSD Safety and Security webpage](#).

Thank you to everyone who participated in this crucial conversation. Together, we continue to shape a safe and supportive environment for all our students.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
