

# PROPOSED ELEMENTARY ATTENDANCE AREAS

## ZONE 2:

Due to rapid population growth in the southern area of the district, there is an imbalance of students across schools. This proposal will balance enrollments in the following attendance areas:

- Shannon Park Elementary
- Highland Elementary
- Diamond Path Elementary
- East Lake Elementary

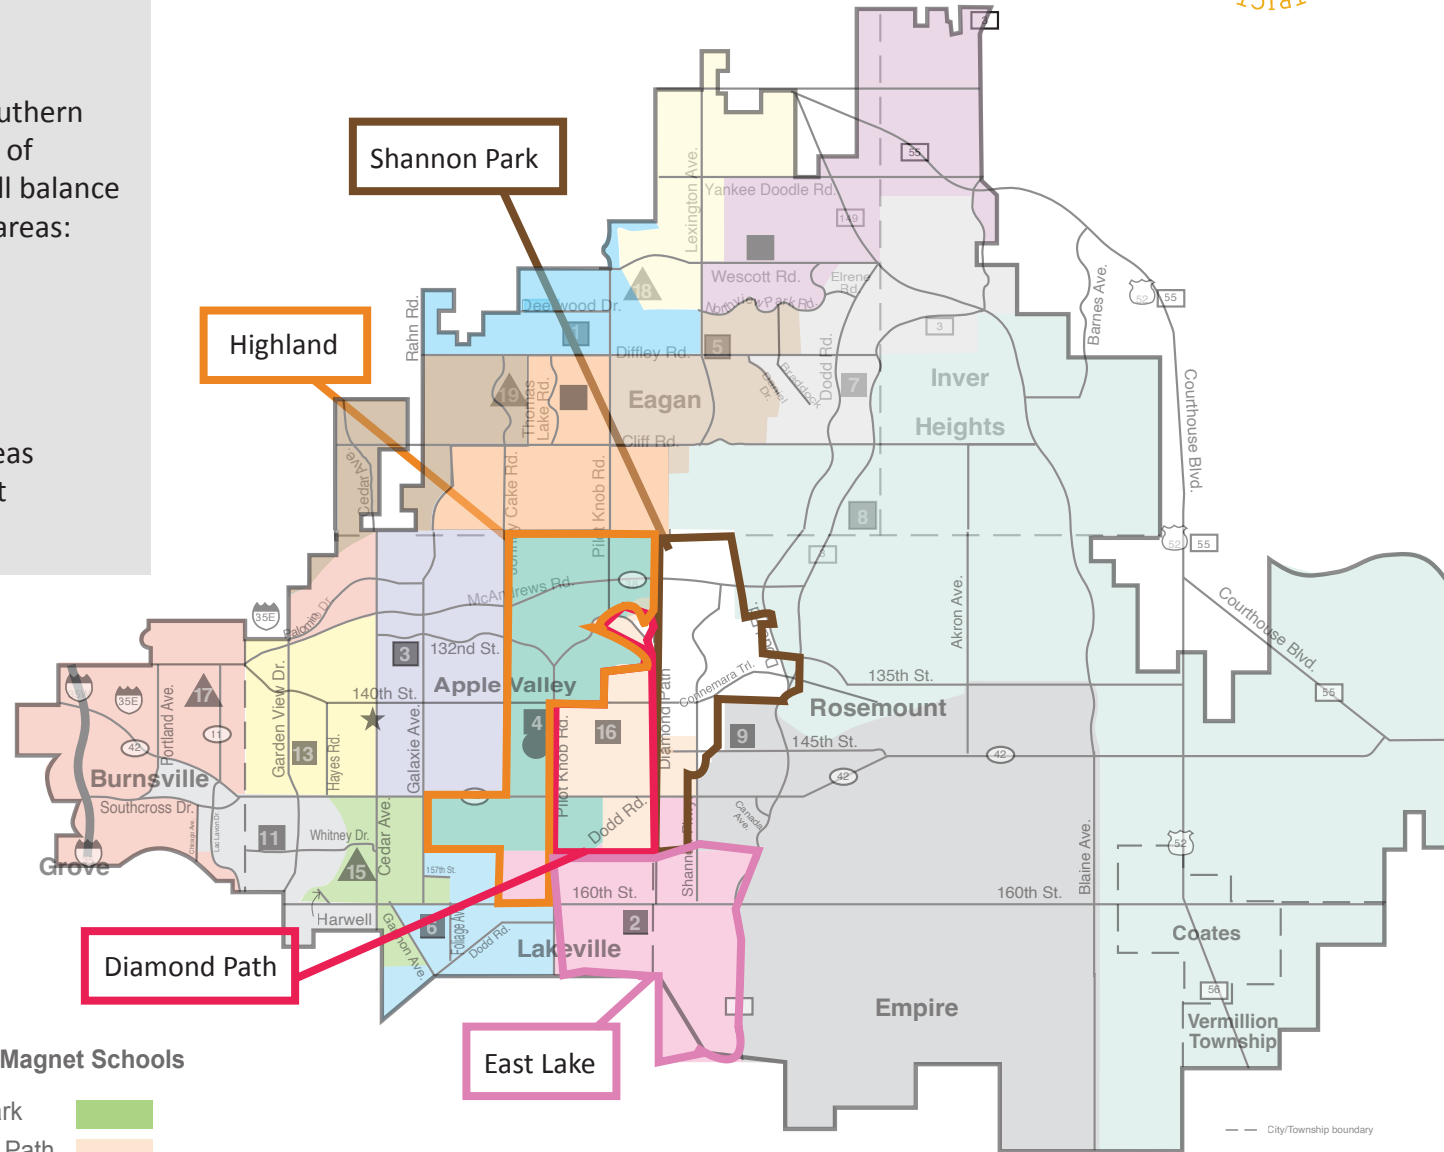

In this map, the proposed attendance areas in Zone 2 are drawn on top of the current elementary attendance area map.

### Current Attendance Areas

- |                 |  |
|-----------------|--|
| 1 Deerwood      |  |
