Ms. Dollyhigh and I will be conducting annual vision and hearing screenings for all students in PK, K, 1st, 3rd, 5th, and 7th grade on October 4th, 2024. If you would like your student to participate in these health screenings, please complete the form at the link below. There is also a portion for Middle School Parents regarding consent for Reproductive Health Teaching. If you don't have a Middle School student, you can disregard this portion, but you must choose an option in the screening portion. Feel free to contact me regarding questions or concerns for vision screenings and Ms. Dollyhigh for questions regarding hearing screenings.
