REGISTERED DENTAL ASSISTANT (RDA)

A Registered Dental Assistant (RDA) works under the direction of a dentist and performs a variety of clinical and administrative duties.

WHAT REGISTERED DENTAL ASSISTANTS DO:

- Prepare, sterilize, and disinfect equipment.
- Prepare patients for treatment and assist during procedures.
- Monitor and update patient health records
- Order dental supplies and assist with inventory
- Expose dental x-rays.

HOW TO BECOME A REGISTERED DENTAL ASSISTANT AT BEN BARBER:

- Intro to Dental Science, Dental Anatomy & Physiology, and any Level 3 health science course during 9-11 grade.
- Take the Practicum in Health Science course during 12th grade.
- Pass 3 exams required by the Dental Board of Dental Examiners
- Submit the required application to the Texas Licensing Board

Earning a Registered Dental Assistant certification in high school can save you $5000 in tuition and fees at other healthcare training entities.
