September 16, 2024

Dear Parent/Guardian,

Legislation (G.S. §115C-83.15) passed during the 2013 long session of the North Carolina General Assembly provides parents with an additional measure of school performance in the form of School Performance Grades. Beginning with the 2013–14 school year, the annual North Carolina School Report Cards display a letter grade of A, B, C, D, or F for each school in the state.

The School Performance Grades are based 80 percent on the school's achievement score (student proficiency) and 20 percent on students' academic growth. At Bladen Lakes Primary, the achievement score for the 2023-2024 school year is based on how well the students performed on the 3rd and 4th Grade Reading and Math End-of-Grade Assessments.

The purpose of this letter is to inform you that Bladen Lakes Primary has been designated as a low performing school by the North Carolina State Board of Education. As defined in G.S. 115C-105.37: "The State Board of Education shall identify low-performing schools on an annual basis. Low-performing schools are those that earn an overall school performance grade of D or F and a school growth score of "met expected growth" or "not met expected growth" as defined by G.S. 115C-83.15."

Bladen Lakes Primary received a School Performance Grade of "D" and a growth designation of "met expected growth" for the 2023–2024 school year. Although we are committed to improving this score, it is important to remember that just as no one single score or grade tells the whole story of a student, neither does it tell you everything about the performance of a school or the opportunities that the school provides.

A low performing school is required to develop an improvement plan that specifically addresses how the school will improve both the school performance grade and school growth score. The plan will also include how central office administrators and I will work with, and monitor the progress of Bladen Lakes Primary. The school is already engaged in the work of refining its plan to present to the Board of Education at the October meeting, scheduled for 6 p.m. on Monday, October 14, 2024. The final plan will be available for review on the school's website.

One of our top priorities for 2024–2025 is to improve our School Performance Grade.

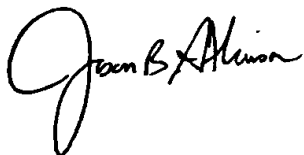

Bladen Lakes Primary has defined several priorities for the 2024–2025 school year to help improve their School Performance Grade. Below are several key initiatives, programs, and strategies that the school will implement or continue to strengthen.

- Regularly assess students in reading and math to identify learning gaps and monitor progress on grade-level skills and standards.
- Tutors or teachers will address identified gaps with targeted instruction. Parent involvement is essential to ensure student success.
- Provide staff with professional development focused on research-based strategies, student support systems, and delivering a robust, standards-based curriculum.
- Continue implementation of a focused school-wide phonological and phonemic awareness program in grades PreK to grade 2 to teach reading and writing skills.
- Continue to implement "Science of Reading" in all classrooms
- Offer opportunities to increase home support and involvement in the learning process.
- Strengthen our communication using REMIND, phone calls, emails, our school website, social media pages, and one-to-one conferencing opportunities

We encourage you to actively engage in your student's academic journey and invite you to collaborate with their teacher(s) to help ensure they stay on track for success. Working together as a team, we can improve not only how well our students are performing individually, but how the school is performing as a whole. There is nothing more important to us than ensuring students are ready for the next step in their academic careers. We appreciate your partnership and support to make it a successful school year.

If you have any questions regarding the School Performance Grade or the school's plans for improvement, please do not hesitate to contact Ms. Joyce Spencer, principal at Bladen Lakes Primary, by calling (910) 247-4608, or by email, jmspencer@bladen.k12.nc.us.

Sincerely,

A handwritten signature in black ink that reads "Jason B. Atkinson". The signature is written in a cursive style with a large, stylized initial "J".

Jason B. Atkinson, Ed.D.
Superintendent
