### SPECIAL PROGRAMS

- **Science Research:** A four-year honors, application only, program taken in conjunction with a regular science course load.
- **Educational Center for The Arts:** An off-campus program in New Haven offering courses in dance, instrumental and vocal music, poetry and prose, theater and visual arts. Admission is competitive. Students earn three courses worth of honors credit annually toward graduation.
- **Dual Enrollment:** An opportunity for students to take courses while still in high school. Credit is awarded at the high school and college level. Partnerships with UCONN ECE, University of Bridgeport, and Gateway Community College.
- **Concurrent Enrollment:** An opportunity for students to take a college course on a college campus after school hours. Partnerships with Yale, Southern, and Gateway Community College.
- **Independent Study:** Sophomores, juniors, and seniors may apply. After approval, students conduct an in-depth study in an area of interest. Honors credit is awarded.

- **International Studies Program:** Amity students come together with students from surrounding schools to study a specific international topic.
- **Unpaid Experiential Learning Program:** Seniors are placed in work experience where they receive on-the-job training and field experience in a chosen career field in the final weeks of senior year.
- **Student Interest Project:** Seniors participate in an independent study where they explore, investigate and learn about a topic of personal interest in the final weeks of senior year.
