COMMENTS BY MEMBERS OF THE BOARD

Mr. Mancinelli congratulated Mr. Seasock’s son on a recent hole in one at Rock Manor.

Mr. Mancinelli asked for an update on the Spanish Teacher at Northley. Dr. Kuminka gave an update on what our options are and what will be available for students. Dr. Steinhoff added, every effort has been made to fill this position, however, there aren’t any candidates currently available.

Mr. Mancinelli commented on the fields, which are in great shape. He thanked Mr. Datte and his staff for having them ready for the season.

Mr. Mancinelli also asked, if the Administration would consider delayed start for all grades except Kindergarten, 6th, like they do for 9th grade? This would allow the new grades to the schools to get familiarized to the buildings before everyone is in the building.

Mr. Twisler asked when staffing assignments would be going out. Dr. Criscuolo indicated he would be meeting with Kelly Services soon to discuss assignments for this year. After which time, their assignments would go out.

Mr. Seasock asked for an update on the planetarium. Mr. Zebley indicated we just received the finalized quote this week and a purchase order will be generated and sent out. Dr. Kuminka added that the installation may occur during the winter break, or sooner, as it’s a quick installation.

ADJOURNMENT

Following a motion by Mrs. Jones seconded by Dr. Huber the Board adjourned by unanimous consent at 8:15 p.m.

Respectfully Submitted,

Erik Zebley
Board Secretary
