Dear Principal Phillips,

Our daughter, Mary Lobo, worked as the Library Assistant at Aston Elementary during the 2020-21 school year. She enjoyed working with the students very much. Sadly, Mary passed away one year ago at age 29 from complications due to Marfan Syndrome, a genetic disorder.

We would very much like to honor Mary's love of reading, art, and helping others by donating this check for \$1,500 to purchase books for the library and art supplies for your students this year. I am including a few bookplates in memory of Mary in the hope that you would be willing to add them to some of the books you purchase.

We wish you and all the staff and students at Aston a very happy and successful year.

Sincerely,

Teri, Anthony, and Anna Lobo and Brian Leipold  
(Mary's husband)
