**General – for all Secondary grades**

Jewellery is permitted but should not be “over the top.” Rings, bracelets and necklaces – all are possible but should be discreet and modest and not to excess.

Earrings should either be studs or with a diameter of no more than a centimetre.

It is possible to have more than one earring in your ear but, again, on the basis described above.

Excessive fake nails are not allowed in school. This is for a number of reasons. Primarily there is the issue of safety. Secondly, staff have noticed that some students wearing fake nails are unable to type properly.

Nail varnish is permitted, of different colours. However, no-one should use lurid or multi-coloured varnish.

Makeup is permitted but once more we specify that, if you do wear makeup, it should be on the discreet side.

Fake eyelashes are not permitted in school.

With regard to hair dye, natural colours are allowed. However, hair dyed in unnatural colours (green or blue, for example) is not.

After P.E. students should return to school uniform at the next available break time. Failure to do this will result in a detention.
