

READY BY 5

UNITED WAY
Quad Cities

Virtual Workshop

Tuesdays 8 pm - 9 pm

October 1 - October 29

**When a child is ready for kindergarten,
the opportunities are endless.**

A child's first 5 years can be their most important. You can encourage young children to learn and grow anytime, anywhere by practicing the basic principles they need to become kindergarten-ready.

These are the basics that every kid needs to develop strong minds and live healthy, happy lives.

Together with you – and other parents, caregivers, grandparents and friends in the Quad Cities – we're on a mission to help more kids become Ready by 5.

JOIN A PARENT WORKSHOP!

Learn how to be your child's first and best teacher during a five-week workshop just for parents and caregivers!

RECEIVE WEEKLY TIPS BY TEXT!

Scan the QR code to receive FREE tips to help your child grow to be happy and smart.
