

A2STEAM Mighty 5s News September 6, 2024

What's been happening at school?

The Mighty 5s are learning to play on the big playground at lunch recess! This was challenging last week, but now they are enjoying the after-lunch play time and they know when it is time to line up! They have also learned many new songs at school. I am not a great singer, but I give it my best. Ask you child to teach you our "Way up high in an apple tree" rhyme and the song "Head-Shoulders-Knees-and-Toes".

Curriculum Night NEXT WEEK:

Next week I look forward to meeting you on 9/12. You can bring your child but there will not be childcare available. My presentation will be in our classroom.

Play and Work, Inside and Out

Playing with others

This week we noticed that peer relationships are developing in the classroom. In the pictures, I think you can see how students are beginning to work together in groups. This week we have seen them cooperate, share, and use words to communicate their needs to teachers and friends. They are also learning to read the center choices on the board, recognize letters, listen for rhyming words, and count. Alphabet bingo was a big hit this week!
