## 2024 SIP FOR SCHOLARSHIP

### PIEMONTE REGION

#### **Il Poggio L'Ape Spumante Metodo Classico NV - \$39.99**

100% Cortese from the hills north of Gavi, lovingly made in the style of Champagne. Fresh and lively with hints of lychee, citrus, grapefruit and just a touch of toasted pine nut. A perfect aperitif, or celebration wine, great on its own or paired with charcuterie, salads, crudo, fried chicken, pizza.

**Very special, only 250 cases produced!**

#### **Il Poggio Black Label Gavi Di Gavi Rovereto 2022 - \$29.99**

100% Cortese grapes grown in the vineyards that surround the family's home in Rovereto, on the hill that represents the finest expression of the Gavi crus: red soil with lots of stones, old vines and all-round exposure to the sun. Black label was the producer's first label and first wine, made with the essence of terroir, hard work in the countryside, minerality, and a sea of tanginess. Straw-yellow in colour accompanied by the scents of cut grass, white flowers and yellow citrus fruits. Its creamy palate is distinguished by the thick texture of tropical fruit, a citrusy personality and the fragrance of aromatic herbs.

#### **Poderi Colla Barbaresco 'Roncaglie' 2020 - \$63.99**

Poderi Colla was the first estate ever to bottle this highly rated Cru site in the Barbaresco region as a single selection. The entire 'Roncaglie' cru spans 12 hectares and is situated in the southwest corner of the Barbaresco commune. 100% nebbiolo and garnet red in color with aromas of red berries, plum, rose, violet and spice. Well-rounded tannins make this the perfect wine for pastas with meat-based sauces or ribeye on the bone.

### FRIULI VENEZIA GIULIA REGION

#### **Venica & Venica 'Jesera' Pinot Grigio 2023 - \$29.99**

True 'ramato' style (skin contact) Pinot Grigio from a single 2.2 hectare vineyard in the beautiful hills of Collio. 100% organic with fragrant aromatics of white flowers, oranges, delicate apricots, and a touch of pear juice. The perfect example of a proper pinot grigio.

### VENETO REGION

#### **Azienda Agricola Viviani Amarone della Valpolicella Classico 2018 - \$49.99**

70% Corvina Veronese, 30% Rondinelli, hand-harvested from meticulous vines at the highest elevation in historic Mazzano. A big, full-bodied red which, despite its intensity and concentration is surprisingly elegant. Hints of aromatic herbs and wildflowers give way to dark cherry and blackberry preserves. Considerable structure and power on the palate. Magnificent with holiday roasts, braises, ragu, duck, venison, and aged parmigiano.

### TOSCANA REGION

#### **Le Corti 'Cortevecchia' Chianti Classico Riserva 2019 - \$39.99**

This Riserva is the highest expression of the San Casciano territory in the Chianti Classico region. A blend of 95% Sangiovese and 5% Colorino, the grapes come from a south-facing vineyard site with the Riserva benefitting from a longer aging time in wood. Vibrant ruby red in color with notes of plum and blood orange, with hints of sage, thyme, and white pepper. Quintessential Toscana sangiovese.
