

LONG BEACH POLYTECHNIC HIGH SCHOOL

BY THE NUMBERS 2024

Long Beach has been recognized as the most ethnically and culturally diverse municipality among the nation's 100 largest cities. Opened in 1895, and located in the inner city, the school enrolls 4,080 students in grades 9-12. Long Beach Poly is accredited by the Western Association Schools and Colleges. According to the California Department of Education 57% of our students are considered socioeconomically disadvantaged. 13% are English Language Learners, 1.28% are foster youth, and 9% of our students have identified disabilities.

School Code:
051480

Program of Additional Curricular Experience
PACE is a nationally recognized, highly rigorous program offering students one-of-a-kind experiences in fields including policy and government, environmental research, biomedical research, communication and cultural literacy.

Center for International Curriculum
CIC is a rigorous, honors college preparatory program offering students a wide range of honors and AP courses with a global emphasis. The program includes Japanese and/or Chinese languages and civic leadership experience.

Poly Arts
PARTS is a college preparatory program focused on the Arts, more specifically careers in media and digital arts, graphic design and digital video production.

Meds
Meds is a college preparatory program preparing students for cutting edge medical careers, focused specifically on patient care (both mental and physical) and information technology. This program offers extensive university-approved, Career and Technical Education courses and experiences with state-of-the-art technology.

Pacific Rim
PACRIM is a California Partnership Academy offering smaller class sizes, college preparatory curriculum and unique career opportunities focused on international tourism, trade and commerce.

Poly Academy of Achievers and Learners
PAAL is a program designed for 11th and 12th grade students with an emphasis on Human and Family services. PAAL provides students a smaller environment in which to strive and learn. These students take courses on a quarter system (unlike the other programs which are on a semester system).

Beach
Beach is a college preparatory program focused on math and science. This program offers Project Lead the Way curriculum in the areas of Computer Science, Engineering and Architecture. Students participate in related activities and career experiences.

GRADING SYSTEM

A = 4.0 Excellent B = 3.0 Above Average
C = 2.0 Average D = 1.0 Below Average
F = 0.0 Failure

Due to the Covid Pandemic, causing school closure during the Spring and Summer of 2020, this year's graduates were allowed to opt for credit (CR) or no credit (NC) during their freshman year.

RANK

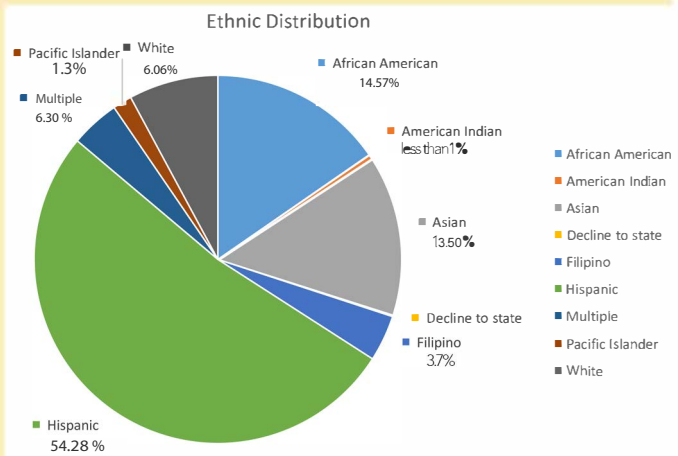

Since 2002, the Long Beach Unified School District does not rank students.

GPA CALCULATION

GPA is computed using the above quality points. Beginning in Grade 9, all subjects, whether passed or failed are included in the computation
Total GPA = 9th-12th all courses
Academic GPA = 9th-12th academic courses only
University GPA = Weighted GPA, grades 10-12

AP/HONORS OFFERINGS

Poly High School offers 31 AP courses and 3 honors classes.

OUR STUDENTS
