

Be part of our San Andreas Community School

San Andreas Continuation High School recently received a grant to transform our school into a true *Community School*, where students and families have what they need to be successful

A Community School is a place where:

Students, families, staff and the community come together to share ideas, celebrate successes and make decisions about how to build a great place to learn

Resources ensure the whole student grows as a person academically and social emotionally,

Students are prepared for successful careers and lives

Students have caring adults and role models

Strong, positive relationships are built between families, staff, student and the community

We invite you to be a part of the vision and planning to make San Andreas Continuation High School a place where the community comes together for our children.

**Thursday, January 26
5:30-7:30pm
San Andreas Continuation High School
191 Alvarado St
