

AIR FORCE ROTC, DET 001 UNIVERSITY of ALASKA ANCHORAGE

What is Air Force ROTC?

AFROTC is a 4-year program that allows college students to commission as officers into the world's finest Air Force or Space Force—all while earning a college degree. AFROTC prepares young men and women to become leaders in the Air Force and Space Force through a robust curriculum.

4-Year AFROTC TIMELINE:

General Military Course

Professional Officer Course

*Field Training (FT): Cadets compete nationally to attend FT between their sophomore and junior year. FT is a 2.5-week summer encampment at Maxwell AFB, AL. Cadets are evaluated on their leadership potential. By completing FT, cadets join the Professional Officer Course.

FAQs

What is Leadership Lab (LLAB)?

A 2-hour class held once per week. Cadets wear military uniforms or business casual attire and practice leadership skills, drill and ceremonies, and teamwork.

What is Physical Training (PT)?

Group workouts held twice per week to improve physical fitness. Workouts focus on cardio and calisthenics to prepare for the Air Force Fitness Test.

Does joining AFROTC require a military service obligation?

No, cadets do not incur a service obligation by joining AFROTC. For most freshmen and sophomores, remaining within the program is optional. Cadets “contract” at the beginning of their junior year or when activating a scholarship; once contracted, cadets may then incur a service obligation.
