## HELP US REMOVE BARRIERS TO EDUCATION

We believe that every student deserves the chance to participate confidently in school programs.

Students from families with limited financial resources often face barriers that prevent them from accessing the same educational opportunities as their peers.

The list on the right details SOME of the barriers standing between students and full access to the amazing education Northshore schools and programs have to offer.

The Foundation removes barriers for students, year-round! Through

- Backpacks for Kids
- Homeless Student Services
- Care Team Funding\*

Please visit our website at [northshoreschoolsfoundation.org](http://northshoreschoolsfoundation.org) to learn more about these three programs and how you can be involved.

Since 1995, we have provided resources that help all Northshore students realize their full potential.
