Bowie Middle School Parent & Family Engagement Program 2024-2025

What is it?

Every student at matters and serves a purpose. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

Funding

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.

Review

All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.

Family Meetings

Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafetorium area. You can enter through the main entrance near the flagpole. The information is the same for both coordinating meetings and will be offered both in person as well as virtually via Facebook, and Twitter. Different meeting times are offered for family convenience.

Expected Achievement levels on academic assessments

•The State's Performance Standards can be found on this website: <https://tea.texas.gov/student-assessment/testing/taar/taarperformance-standards>. Bowie Middle School tracks each child's growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.

Ways to Request regular meetings

However, if they need to meet with the administrators or their child's teacher at another time, they can email that individual person, or call the campus at 432-456-0439.
