******Strategic Planning (September)**

As we embark on the second month of the 2024-2025 school year, we encourage your continued dedication to the development and implementation of your school's Strategic Action Plan. Your vital role in shaping the future of your school community cannot be overstated.

To ensure timely submission and alignment with district goals, please note the following critical dates and resources:

- **Strategic Action Plan Submission Deadline:** November 1, 2024
- **SGC Approval Requirement:** A majority vote of the SGC is necessary before plan submission.
- **Supporting Resources:** A wealth of tools and templates are available on the [Charter System Resources website](#) to assist in the planning process.

To maximize the impact of your council's involvement, we recommend the following discussion points for your September meeting:

- **Deep Dive into the Strategic Action Plan Form:** A thorough understanding of the online form is essential for effective plan development.
- **Metric Selection:** Identify the key performance indicator that will measure progress towards each Strategic Plan Goal.
- **High-Level Action Identification:** Determine the overarching steps necessary to achieve the selected metrics.

Your engagement in the strategic planning process is instrumental to the success of your school. We look forward to supporting your efforts and celebrating your accomplishments.

**** SGC Council Development Opportunities:**

Reminder that all new members must complete New Member Onboarding and council officers are expected to attend Officer Training. See the Training Sessions tab of the Charter System website for more information.

Officer Training (Required for All Council Officers)

Our Chairs, Vice-Chairs and Parliamentarians serve as leaders on their councils and liaisons within their communities. This training will offer our officers the opportunity to learn from the Governance Team and each other about council responsibilities and tactics for focusing the work of their teams on the strategic vision of their school.
