

BISD Physical Education Shoe Policy

In Boerne ISD we strive to ensure the safety and success of our students.

Students in physical education are expected to wear tennis shoes, with laces correctly tied.

Unacceptable shoes include flip flops, sandals, slip on/ flats, crocs, boots, and shoes with heels.

To ensure their safety and participation, students with inappropriate footwear will be given a gently used "loaner" pair for that class period, as well as clean socks if needed.
