Dual enrollment enables a student to receive high school credit and college credit for the same course. These courses are offered through Northwest Vista College, Angelo State University, or UT-Onramps. These courses can be taught/proctored by CIS faculty members on our campus or remotely by the corresponding college/university faculty members.

Fall Semester.....August 12-December 20
 Spring Semester.....January 13-May 22
 Graduation Ceremony.....May 23, 2025

Boerne **ISD** adopted the A/B block schedule in 1995 to offer a greater variety of courses and flexibility of scheduling for students. Each of the 8 blocks has 90 minutes. Students can complete eight units of credit over the course of the school year. Each semester consists of two 9-week grading periods.

Students in the Class of 2024 indicated their future plans are as follows:

Four-Year College.....78%
 Two-Year College or Vocational/Technical School.....13%
 Other.....9%

SCHOOL AND COMMUNITY

In the heart of a champion reigns a commitment to success driven by responsibility and self-direction. The Samuel V. Champion High School community will create a safe and intellectually stimulating environment in which each student is continuously challenged to become a champion - an ethical, life-long learner capable of excelling in a rapidly evolving global culture. BISD was founded February 8, 1907. It is located 25 miles northwest of San Antonio, covers 307 square miles and encompasses parts of Kendall, Bexar, and Comal counties. The rural and suburban areas that make up the school district have approximately 42,540 residents. The district consists of 8 elementary, 3 middle, and 2 high schools which accommodate approximately 11,000 students. Samuel V. Champion High School was opened in 2008 as a public four-year secondary school and is accredited by the Texas Education Agency. CHS completes in District 26-5A and has an approximate enrollment of 2,000 students in grades 9-12.

CLASS RANKING

Boerne **ISD** is a non-ranking school district. Students are given a numerical ranking only when they are notified if they qualify for automatic admission to a Texas public university or college. Class grade averages are calculated at the end of each semester. BISD assigns weights to semester grades earned in eligible courses and calculates a weighted numerical grade average, in accordance with the following:

Advanced Courses=Multiplied by 1.1 On-Level Courses=Multiplied by 1.0

Adjusted grades are used in computing GPA and class rank, but numerical grades on the transcript do not reflect added points. GPA is calculated on a 100% scale and provided as a weighted average only.

GRADING All grades are recorded numerically. Transfer grades are recorded using the numerical equivalent on the grade scale of the sending school.
