

**FREE EVENT!**

## Innovate. Collaborate. Educate: Learning Beyond the Classroom for Future-Ready Families

Join us in person or through Zoom at the first Family Academy event of the year to foster an in-depth understanding of grade-level curriculum, assessments, and district resources to support academic success.

During the event, attend up to two of the following workshops:

- Guiding Your Child to Success: Making the Most of SLCs
- Artificial Intelligence: Is It Plagiarism?
- Solving Together: Building Mathematical Thinkers at Home
- From Barriers to Bridges: Navigating Language Access at FWPS
- Test Ready: Strategies to Help Your Child Succeed on State Exams
- How to Use Media and Tech to Build Life Skills in Young Kids
- From School to Home: Extending PBIS Beyond the Classroom
- IEP Essentials: Navigating Special Education for Your Child's Success

For more information about the event, including workshop descriptions and event schedule, visit [www.fwps.org/register-for-family-academy](http://www.fwps.org/register-for-family-academy).
