Elevate Southwest Innovation Hub

October 2, 2024 | 9-11 a.m.

1 City Plaza, Room 190, Yuma, AZ, 85364

You're Invited!

Join us for a town hall about the Elevate Southwest Innovation Hub.

The Innovation Hub will bring a range of businesses, entrepreneurs, and community supports together in one place to develop new ideas and bring them to market in Yuma. Similar developments have been created across the U.S. to create jobs, attract investment, and strengthen communities.

Attend the town hall to find out more about the vision for the Hub, hear from the project team about findings so far, and tell us what you think the Hub could do for Yuma.

Coffee and light refreshments will be provided.

RSVP by email: vanessa@elevatesouthwest.org
