## **Agricultural Partners**

### **Help Our School with a Gift of Agricultural Commodities!**

**Consider gifting a portion of your harvest this year to help our school with necessary updates and projects outside of our budget!**

A donation of agricultural commodities is an easy way to make a difference without having to open your checkbook. Plus, you don't have to claim the income from the sale and you can still deduct the cost of production for whatever you donate!

Simply fill out the back of this card and give it to your broker, co-op, or elevator. They will take care of the rest and you will have made a difference, forever, in Oakes!

**Present this card to your co-op or broker:**
