Soccer Seniors Honor Teachers

On Friday, September 20th, senior members of the boys' soccer team surprised teachers at Ringgold Elementary School South, Ringgold Elementary School North, and Ringgold High School by presenting them with a soccer ball and thank-you card. These teachers were chosen by the team members because they have made an impact on the boys' lives. What a sweet sentiment to show appreciation! Keep up the great work, everyone!

Another Fresh Face at RHS!

Ms. Megan Diggans

Ms. Diggans is a new special education teacher here at RHS! She began her Ringgold journey toward the end of last school year as a long-term substitute at Ringgold Elementary School South. She has worked at a charter school and daycare before coming to Ringgold. Megan graduated from Thiel college with a Bachelors' Degree in Early Education K-4 and Special Education K-12. In her spare time, she enjoys hiking, bike riding, and watching movies. An interesting fact about her is that she has a Bengal cat (They look like little leopards!). He is her pride and joy. She's excited to teach at Ringgold High School and get to educate and assist a variety of students.

RHS Shares School Spirit with RMS

This past Friday, Ringgold Middle School held a pep rally to celebrate students who participate in fall sports. Members of the RHS varsity football team and cheerleading squad joined in on the fun and shared their expert levels of school spirit! Stacey Wills, the event's Master of Ceremonies, kept students busy with several challenging, yet fun, games.

Physics Class Is on a Roll!

Mr. Johnston's Physics class once again took to the hallway when they were learning about frame of reference and motion. Mr. Johnston's hands-on approach makes learning the elements of physics fun!

AP Bio Has Model Students

Recently, in Mr. Muraco's AP Biology class, students created paper models to examine the three-dimensional structure of insulin to learn the different levels of protein structure and how they result in properly-folded proteins.
