

MINUTES OF THE DISCUSSION MEETING
OF THE
BOARD OF SCHOOL DIRECTORS
MT. LEBANON SCHOOL DISTRICT

May 12, 1997

A discussion meeting of the Board of School Directors was held at 7:37 p.m. on Monday, May 12, 1997, in the Mt. Lebanon High School Library.

ATTENDING:

Board Members: Hoffman, Humphreys, Kasky, Maurhoff, McVerry, Seltzer, Smith, Walton, Palcho
Others: Smartschan, Peterson
Allen, Disque, Klein, Pitcock, Wilson, Findley, Mallery, Williamson, Krakower

It was moved by Kasky and seconded by McVerry that:

WHEREAS, the board has previously determined that it is in the best interests of Mt. Lebanon School District and its students to reopen the former Jefferson Junior High School and Mellon Junior High School as middle schools attended by all district students in grades 6, 7, and 8, and

Assignment of students to Middle Schools

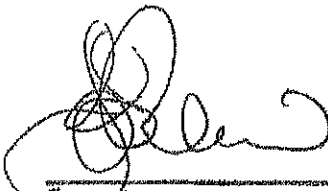

WHEREAS, the board has determined that it is in the best interests of the district and its students that enrollments, class sizes, and educational programs at both middle schools are equal to the extent reasonably practical, and

WHEREAS, the board over a period of over one year, or more, has reviewed and considered reports and comments from various experts and outside consultants, from the administration and staff of the district, and from the residents of the district, in order to have adequate information to determine the manner in which students should be assigned to the middle schools, considering issues of safety, distance, educational program, class size and other criteria as have been considered by the board since the inception of the middle school project.

NOW, THEREFORE, IT IS RESOLVED that district students shall be assigned to the middle schools so that students in grades 6, 7, and 8 who reside in the Lincoln, Jefferson, Hoover, and Markham Elementary School areas will be assigned to Jefferson Middle School, and that students who reside in the Howa, Washington, and Foster Elementary School areas will be assigned to Mellon Middle School. These student assignments are subject to certain qualifications as described below.

FURTHER RESOLVED, the administration shall develop procedures and guidelines to permit the parents/guardians of certain students in the Markham Elementary School area to apply for assignment to Mellon Middle School, based on distance of the residence from Jefferson, enrolled siblings, and other factors, which procedures and guidelines shall also include consideration of, and shall be amended from time to time if necessary to achieve the district's intent to balance class sizes and enrollments between Mellon and Jefferson to the extent reasonably practical.

FURTHER RESOLVED, that the administration is directed to monitor and report to the board from time to time on the implementation of these Resolutions and the procedures and guidelines.

GUIDELINES
ASSIGNING MARKHAM ELEMENTARY STUDENTS TO MELLON MIDDLE SCHOOL

July 17, 1997; Rev. 10/06; Rev 03/13; Rev 09/24

RATIONALE

In a resolution enacted on May 12, 1997, the Board of School Directors assigned students from Hoover Elementary, Jefferson Elementary, Lincoln Elementary, and Markham Elementary schools to Jefferson Middle School and students from Foster Elementary, Howe Elementary, and Washington Elementary schools to Mellon Middle School.

Recognizing that Markham area students may be assigned to a middle school which is not their closest school, the resolution calls for the development of administrative procedures and guidelines for allowing certain Markham area students to attend the Mellon Middle School.

The primary goal of these guidelines is to offer those Markham elementary students with the longest walking distances to Jefferson Middle School an opportunity to elect attendance at Mellon Middle School.

GUIDELINES

1. Thirty* spaces **per** year will be reserved at each grade level for Markham area students at Mellon Middle School. Priority will be **given** to those students living the farthest walking distances from Jefferson Middle School and those with a sibling concurrently attending Mellon Middle School.
 - *The number of spaces reserved each year will minimally be 30. The number of spaces reserved may exceed 30 in a year, should the opportunity exist to balance enrollment of the overall class size entering both Mellon and Jefferson Middle Schools.
2. After the minimum of 30* spaces have been filled using the procedures below, additional requests for transfers from a student's home school will be considered in accordance with standard district practices.
3. The sibling of a student who is currently attending Mellon Middle School is automatically eligible for one of these minimum of 30 places. "Siblings" are defined as students who reside in the same household and who are within three grade levels of each other and who would attend middle school concurrently.
4. School assignments for middle school are based on the area in which a student resides, not which school a student attends.
5. Students who attend Markham Elementary School, but who reside in another elementary school area, are not eligible for one of the minimum of 30 reserved places at Mellon Middle School. They will be assigned to middle school based on the assignment for the area in which they reside. If such student wishes to attend the other middle school, they must request such a transfer in accordance with standard district policies and procedures as stated in number 2, above.
6. Students who reside in the Markham area but attend another elementary school will be assigned to Jefferson Middle School but will be permitted to apply for one of the minimum of 30 places at Mellon Middle School based on the criteria listed below.
7. Middle school students who move into the Markham area during sixth, seventh and eighth grade

will be assigned to Jefferson Middle School. If such student wishes to attend Mellon Middle School, they may request such a transfer in accordance with standard District Policies and procedures as stated in number 2, above.

8. Middle school students electing to attend Mellon Middle School will be expected to remain at Mellon Middle School for their middle school years.
9. Both middle schools offer comparable IEP services with the exception of Life Skills and ABA programming that occurs only at Mellon Middle School; if a Markham Elementary School student requires this programming, they are placed at Mellon Middle School through the IEP process and not the middle school transition process. The students in the Life Skills and ABA programs do not count towards the minimum of 30 spaces available.

In the future, the district reserves the right to re-evaluate district-wide school assignments if learning opportunities would become compromised due to overcrowded class size or facility overcrowding.

Modification of these guidelines with regard to reassignment of elementary school students to the middle schools should be done only with the consultation and input of parents in the affected parts of the community.

PROCEDURES

1. In September or October of the fifth grade year, a letter will be sent to those Markham area families who have a student currently enrolled in grades six or seven at Mellon Middle School and who also have a fifth grader enrolled at Markham Elementary School. The purpose of the letter will be to determine whether the family chooses to enroll the fifth grade student at Mellon Middle School. A reply will be required two weeks after receipt of the letter. If no response is received by that date, the student will be deemed to have chosen to remain at Jefferson Middle School.
2. In November of the fifth grade year, all Markham Elementary students who reside in the Markham district and any student in the Markham district who attends another elementary school in the District will be sent a letter asking them if they wish to be considered for a space at Mellon Middle School. The letter will state that priority for these spaces will be determined by walking distance to Jefferson Middle School using established walking routes and the existence of a sibling at Mellon school. The number of siblings in that grade who have chosen to attend Mellon Middle School as per number 1 above, will be reported in the letter so that the number of available spaces are clearly defined. Responses must be returned within two weeks. If no response is received, a student will be deemed to have waived their opportunity to attend Mellon Middle School.
3. If fewer than 30 students request to attend Mellon Middle School, those students automatically will be permitted to attend Mellon Middle School. If more than 30 students request to attend Mellon Middle School, then the District will determine which 30 of such applicants live the farthest from Jefferson Middle School, using established walking routes. Students who apply will be notified by letter of their acceptance or rejection for one of the minimum of 30 places at Mellon Middle School by the end of December.
4. If more than 30 requests to attend Mellon Middle School are received, families can opt in to a waitlist by formally declaring such interest using the District issued form; otherwise their middle school placement will be known once the process in item number 3 has concluded. The waitlist will only remain active through the end of the 3rd marking period of the student's 5th grade year. At the onset of the 4th quarter of the student's 5th grade year, final middle school placement letters will be sent to any family remaining on the waitlist.
