ARTICLE I

Preamble

The Onteora Non-Teaching Supervisor's Association, referred to as Association for the remainder of this document, declares its common interest with the Onteora Central School District Board of Education in the desire to support the finest possible education for the children of the Onteora Central School District consistent with the aspirations of the community. It is the Association's purpose to accomplish this desire through the continuation of the cooperative relationship between the Board of Education and the Non-Teaching Supervisors of the Onteora Central School District.

ARTICLE II

Recognition

The District hereby recognizes the Association as the exclusive and sole bargaining representative for the titles of School Lunch Manager, Director of Facilities & Operations, Assistant Director of Facilities & Operations and Director of Transportation.

ARTICLE III

Rights of the Association

- A. Before eliminating a position covered by this Agreement, the Superintendent shall first directly consult with the Association so that their views may be expressed.
- B. In the event of an employee resigning a position with the District, the employee will give written notification 30 calendar days prior to the effective date of the resignation. If such notice is not given, the employee shall forfeit any unused time accumulations that would otherwise result in a monetary payment to the employee. This does not preclude the employer from choosing to accept less notice without penalty to the employee.
- C. Upon reasonable prior notice and approval by the District, the Association may conduct meetings in District buildings at times which do not interfere with the instructional schedule and is subject to those Board regulations regarding the public use of buildings.
- D. The District agrees to deduct from the salary of all members covered by this Agreement any initiation fees, dues or assessments, and VOTE/COPE contributions and agrees to remit same to SAANYS prior to the end of each month for which such deductions are made. Written authorization by the employee is to be furnished in the form approved by the Employer.

ARTICLE IV

Negotiations Procedures

- A. No later than December 15th of the year the contract will expire, the parties will enter into good faith negotiations over a successor Agreement covering the following period.

ARTICLE V

Grievance Procedure

A. Definitions:

1. A grievance exists when an employee or group of employees of the Association claims that there has been a violation, misapplication or misinterpretation of an express provision of this Agreement. A grievance shall be submitted within thirty (30) calendar days of when the grievant knew or should have known of the events leading up to the alleged violation. If a grievance is not submitted to arbitration then it will be deemed to have been waived, considered to be null and void and shall not be further processed.
2. An aggrieved person is the person or persons making the claim or the Association on behalf of itself or a member.

B. Purpose:

- t. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise affecting the welfare or working conditions of the association members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained will be construed as limiting the right of any aggrieved person having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of the Agreement.

C. Procedure:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as the maximum and every effort should be made to expedite the process. The time limits specified may be extended by mutual agreement. "School days" shall be defined as days in which students are present and shall not include recess days, holidays, snow or other closing days whether for emergency or otherwise.

1. Level One:

The grievant and/or the Association shall submit the grievance in writing to their supervisor. The Supervisor shall meet with the grievant and/or Association within ten (10) school days of the request. The Supervisor shall communicate an oral decision within ten (10) school days of having orally heard the grievance.

2. Level Two:

If the aggrieved and/or the Association is not satisfied with the oral disposition of his/her grievance at level one, or if no decision has been rendered within ten (10) school days after presentation of the grievance, the aggrieved may request a written decision on the grievance from the Superintendent of Schools who shall render a decision in writing within ten (10) school days of the request.

3. Level Three:

If the aggrieved person is not satisfied with the disposition of his/her grievance at level two, or if no decision has been rendered at level two, then within ten (10) school days after the aggrieved received or would have received a written decision at level two, the aggrieved may file an appeal to the Board of Education within ten (10) school days after a decision by the Superintendent. At the next regular school board meeting after receiving the written grievance, the Board will meet with the aggrieved person or the aggrieved person's representative for the purpose of resolving the grievance. The Board has the option to consider the grievance based upon paper submission(s) in lieu of a meeting.

D. Miscellaneous:

If, in the judgment of the Association, a grievance affects any group within the Association membership, the Association may submit such grievance in writing to the Superintendent of Schools directly and process such grievance through levels III.

ARTICLE VI

- D. Each member shall be permitted to buy back up to ten (10) unused vacation days per year at a buy back rate of 1/260th of their annual salary. The cash back payment shall not be added to the base salary.

B. Health Insurance - Retirees

① Employees must complete ten (10) cumulative years of service with the District and meet the eligibility requirements of ERS in order to be eligible to receive retiree health insurance. The District contribution for health insurance premium payments for retirees shall be at the same percentage of District contribution in effect for the retiring employee as of the date of retirement for individual coverage, or 50% of the difference between the individual and family premium costs for family coverage. In calculating the District's premium contribution toward family coverage for the DEHIC Alt PPO and EPO20: the District's contribution for individual which would be added to 45% of the difference between family and individual coverage.

For example, if the premium cost of the DEHIC Alt PPO health insurance plan was \$18,000* for an individual and \$40,000* for a family plan, the contribution is calculated as follows:

Individual Plan:	District Contribution:	\$15,300 = (85% of \$18,000)
	Employee Contribution:	\$ 2,700 = (15% of \$18,000)
Family Plan:	District Contribution:	\$25,200=(\$40,000-\$18,000*.45)+ \$15,300)
	Employee Contribution:	\$14,800 = (\$23,000- \$14,350)

For example, if the premium cost of EPO 20 health insurance plan was \$18,000* for an individual and \$40,000* for a family plan, the contribution is calculated as follows:

Individual Plan:	District Contribution:	\$17,820 = (99% of \$18,000)
	Employee Contribution:	\$ 180 = (1% of \$18,000)
Family Plan:	District Contribution:	\$27,720=(\$40,000-\$18,000*.45)+ \$17,820)
	Employee Contribution:	\$ 12,280= (\$40,000- \$27,720)

*These are only approximate 24-25 rates for the purpose of demonstrating the calculation only and are not the actual rates that will be used.

Upon receipt of the reimbursement from the Workers' Compensation insurer, the District shall reinstate sick leave days on a pro-rata basis (i.e.: the value of the reimbursement divided by the per diem rate of pay shall equal the percentage of sick leave).

L. Welfare Plan

The Association members will maintain membership in the OTA Benefit Trust at the OTA approved dollar amount. The District will fund the OTA Benefit Trust plan, provided it is allowed by the Plan.

The District shall make payments to the funds semi-annually; one-half on October 1st and one-half on December 15th for the total amount.
