

Who can apply for parking?

- **Seniors who possess a senior license. It will say class "D" on your license.**
- ***No junior licenses will be accepted!***
- Attendance must be in good standing to maintain your parking privileges.
- **NO JUNIOR MAY DRIVE AND PARK ON CAMPUS!**

How do you apply for parking?

- Download the ***application*** and ***regulations(***2) pages from my website, Dean Schiereck/Student Parking
- Fill out all 3 pages, and you and your parent must *sign them*.
- Make a copy of your senior license and car registration(s) of all the cars you will be using.
- **Submit all this paperwork to Ms. Morrone in the main office.**

What happens next?

- We will process all the paperwork after it is handed in to Ms. Morrone in the main office.
- There are only 71 spots for students.
- If there are more students than spots, there will be a lottery held after school for students to attend.
- Spots are given by a lottery – there are no special considerations!

Where do you park??

- Students may only park in the lower lot in the numbered spots that were assigned.
- Students may not park on the mall, staff parking, the cafeteria lot, the middle school lot or Phipps FOR ANY REASON!!!
- If there are any problems with your spot, you take the last available student spot and contact me immediately!! Take a picture of the license of the car in your spot if possible!

Tips to Remember:

- Drive slowly and safely. Observe all driving rules.
- When you park, park carefully within the lines of the spot.
- Back out slowly and carefully.
- Watch for pedestrians and school buses. Do not speed up and pass.
- If you do not park in your spot, drive safely, you may lose your driving privileges.
- Attendance and school behavior will also be checked every quarter. You may lose your driving privileges!!
- Students MUST attend both parking meetings in order to apply for parking! Meetings will be held 1st quarter and 3rd quarter.

Drive Safely and carefully!

- **Any questions, concerns, or problems, please inform me as soon as possible!**
- **Check in with me in Room 327 for any questions in regards to meetings, applications, regulations, and additional information!**
- **Thank you!**
