 RE: FY24 May Finance Report

School Budget (general fund)

As of May 31, 2024 the School Department has expended \$19,663,537 out of the \$22,905,421 budget awarded (87.18%) and we are 92% through the year. We have encumbered supplies and materials on purchase orders in the amount of \$307,025. There is a remaining balance of \$2,934,859 which will be expended by salary accounts and any other school department needs that cannot be anticipated or have not yet been entered as a purchase order.

SPED Tuitions were budgeted at \$940,275 and are currently encumbered on purchase orders. The shortfall in tuitions has remained at **-\$436,518**.

A request has been made to draw funds from the SPED Stabilization Fund to help offset this deficit.

Circuit Breaker

Circuit Breaker funding received in FY23 was \$1,170,609. This amount was carried over in its entirety into FY24 as part of the budget. This amount was based on a 75% reimbursement rate.

Circuit Breaker funding expected to be received in FY24 has been posted at \$1,034,108, a decrease \$136,501, which will be rolled over in its entirety into FY25 as part of the budget. The reimbursement rate has remained at 75% for several years.

We applied for “Extraordinary Relief” thru Circuit Breaker which is a program that allows districts to claim for extraordinary relief when claimable Special Education costs exceed 125% of the previous year’s claimed costs. We did not qualify for the FY24 Extraordinary Relief.

We also applied for a program called “Reserve Relief” which is to help offset the 14% increase to Private School tuitions this year. Reimbursements will be paid in May, 2024 and may be carried forward one year. We qualified for the Reserve Relief and the payment of \$141,015 will be received in May, 2024. We will need to utilize the entire \$141,015 to help balance the FY24 budget.

Food Service

I want to congratulate our new Food Service Director, Vinicio Cordon, for a very successful first year in Cohasset. We have made many upgrades and enhancements and will continue to do so in future years.

Transportation

The Electric Bus has arrived and is being used for one of our daily routes with no areas of concern at the close of the school year.

Conclusion

The school year is almost over and the only concerns are the special education tuition deficit and the utility accounts. My recommendation again, for next year, would be to increase our utility accounts to accommodate the rising cost of energy.

If you have specific questions, please contact me prior to the meeting so that I can be prepared to fully answer your questions/concerns (781) 383-0611.
