THE BLAZE

Official Newsletter of HCS Early College High School

"Endless Possibilities"

from the desk of Ms. Williams...

Trailblazers,

As we approach the Thanksgiving holiday, I want to wish everyone a safe and happy holiday. In this season of gratefulness, we are most grateful for our students and families.

ECHS will be closed November 20-24 for the Thanksgiving holiday, but HGTC will be in session November 20 -21. Students enrolled in a college course on November 20 or 21 will be required to attend class, unless the professor has given prior notice that the class session is canceled for the day. Students are required to indicate on the Transportation Google Form during AVID if they will need a bus.

We completed our fall Student Led Conferences (SLC). Students did a great job preparing and presenting their SMART goals, academic progress, and plans for continued success. If you have not completed your SLC, please contact the front office to arrange a day and time with your child's advisor. SLCs are required for students in grades 9-10.

Due to a scheduling conflict, the annual AVID and HGTC Programs Family Night will be rescheduled. The night will consist of information on HGTC programs and how the AVID supports college readiness in our students. Dinner will be provided for the entire family. We will share the new date and time soon.

Our School Improvement Council (SIC) will meet Tuesday, November 28 at 3:00 in the ECHS conference room. Students and parents are invited to participate in the meeting.

We are excited about Mrs. June Wood, City of Conway Public Information Officer, joining us as a part of the Principal for a Day program on Tuesday, November 14, 2023.

Please read below for additional important updates and reminders.

Advisory: Friday, November 17, 2023, will be a PM Advisory and a Monday/Tuesday day.

Salvation Army Food Drive: Students are asked to bring in canned good items and other non-perishable items for the Salvation Army Food Drive. **The last day to bring in items is November 13.** The Advisory with the most donated items will win donuts.

Composting: We are asking all students to help with recycling during lunch. Students should sort the items on their trays prior to dumping to ensure they are placed in the correct bins. Please do not place non compostable items in the compost bin because it will contaminate the bin and it cannot be used for compost.

Bus Transport November 20-21: HGTC will be in session November 20 and 21. ECHS students in college classes are required to attend those days even though HCS is on break. Students in need of bus transportation should complete the Google form to indicate if they will need a ride. Transportation is provided to and from the attendance area high school.

School Improvement Council Meeting: All parents and students are invited to attend the first SIC meeting on Tuesday, November 28, 2023, at 3:00 PM.

Toys for Tots Drive: ECHS is a drop-off location for the U.S. Marine Corps' Toys for Tots program. Please bring a new, unwrapped toy and make someone's holidays just a little bit brighter. **The last day to bring in items is December 08, 2023.**

Winter Formal: The annual Winter Formal dance will be Friday, January 05, 2024, at the Marina Inn- Grande Dunes, 7:00 PM - 10:00 PM. Tickets are \$15.00 and includes food and drinks. Students can pay in person to Ms. Katie before school and during lunch or online using mypaymentsplus. The last day to purchase a ticket is Tuesday, December 19, 2023. A signed parent permission slip is required with payment. Permission slips are available on the counter in the front office.

Graduation Supply Order: Seniors are reminded to order their graduation supplies by December 01 in order for them to be back in time for the March 2024 delivery.

"To provide a small, personalized learning community that accelerates our diverse student population to become responsible citizens who are strong critical thinkers, collaborators, and communicators who can successfully meet and face the challenges of competing in an ever-changing global society."

still make the difference!

Relating facts to something meaningful improves recall

Brain research sheds light on how memory works. And that can make test time a little easier for your teen.

When it comes to studying, some methods work better than others. Memorization is a case in point. Teens often memorize by repeating something over and over. But one brain study says there's a better way to retain information.

Repetition can help with short-term memory. But long-term memory is what your teen needs to call up a fact on a test. Researchers found that the best way to store information long term is to relate it to other facts already stored in the brain.

To make new material more memorable, encourage your teen to:

- **Make a mental picture.** The Spanish word for *narrow* is *estrecho*. Think of

the word stretched out until it is very thin. The sillier the picture, the easier it may be for your teen to remember.

- **Link facts to prior knowledge.** Which spelling (*stationary* or *stationery*) means paper? "*Stationery* uses envelopes."
- **Use rhymes.** "Columbus sailed the ocean blue in fourteen hundred ninety-two" illustrates the power of a rhyme.
- **Create a sentence.** "I shouldn't battle again." The number of letters in each word correlates to the year the Civil War ended: 1865.

Spending time creating these memory links will help your teen study smarter and remember more.

Source: "Long-Term Memories Made with Meaningful Information," Science Daily.

Listen to your teen's ideas and opinions

"Could you please hear me out?" You've probably asked that question yourself in a dis-

cussion at work or with a family member. Even if you don't get your way, you want to know your point of view is being considered.

It should come as no surprise that teens feel the same way. Giving them a chance to express their opinions makes them happier, more engaged and more confident.

When your teen has something to say, take time to listen carefully. And when you hear a valid point, seriously consider it. For example, your teen might have a reasonable idea about switching up chores, or a compelling argument for staying up a bit later on Friday night.

You may not always agree with your teen, but by listening, you are demonstrating respect—and instilling the confidence your teen will need to speak up and contribute in school and in life.

Students who do not test will receive a score of zero as the final exam grade in the corresponding course. Make up exams may not be rescheduled due to vacations/unexcused absences. Students will not be allowed to have any electronic device other than the HCS computer in the testing location.

Principal Approved Absences

Successful completion of high school courses results in the issuance of Carnegie units needed for a high school diploma.

Since our high schools and program schools operate on a 4 x 4 block schedule, it is crucial that students miss as few days as possible.

Based on this information, it is not feasible for our secondary schools and program schools to grant principal-approved days effective this year. Religious-based camps, retreats, trips, and conferences are not excused.

Absences due to major religious holidays are excused. Please send notes to the attendance office regarding absences for religious holidays.

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside. Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.
