Trailblazers.

We are at the halfway mark for the third grading quarter. Interim Reports will be emailed to parents on Thursday, February 22, 2024. Students in need of assistance with homework or studying for tests are encouraged to take advantage of peer tutoring after school (2:30 - 3:30) provided by Key Club members on Tuesdays, Wednesdays, and Thursdays in the cafe. In addition to peer tutoring, ECHS teachers provide tutoring on Tuesdays and Wednesdays after school and online. Schedule

Parents are encouraged to check PowerSchool weekly for updates on grades and attendance. For students enrolled in HGTC classes, parents are reminded to check the D2L platform by having the student login. If parents have questions about how to access PowerSchool or D2L, please do not hesitate to contact the school.

We are looking forward to our families joining us for the annual AVID Family Night on Thursday, February 22, 2024. We hope everyone will be able to join us for a night of good food, informative sessions, and the chance to win prizes. Students and parents will be able to choose 3 sessions from the available 12. Come out and learn about the many different career path programs available through HGTC. Dinner (free) will begin at 5:00 and our information sessions will begin at 5:45.

Please read below for additional important updates and reminders.

WHAT'S HAPPENING IN AVID 402

The seniors have gotten their new semester off the ground at HGTC, with many set up to finish their Associate's Degree in the spring or summer. We have completed graduation applications for HGTC in class this week in preparation for the May 1, 2024 event. We have also started our Budget Challenge and are ready to learn how to be financially responsible adults in the future. Many seniors have already completed their 2024-2025 FAFSA forms. If you haven't, get in contact with Mrs. Johns or Dr. Adams as soon as possible.

Encourage your teen to stay in school by managing stress

Students who drop out of school limit their life choices forever. But every year, many teens make this destructive choice.

A Canadian study looked at teens who faced big challenges. All were low-income. Most had low grades. But only some of the students dropped out. What made the difference?

The study found that dropping out of school isn't always related to an issue in school. Often, a difficult life event or problem at home—death, divorce, health or legal problems, or even a move—can tip the scales and lead teens to drop out.

Adults can't control all of the stress that happens in their teens' lives. But they can recognize it and find effective ways to help them cope. Teens are often moody, but paying attention to a major change, such as suddenly losing interest in old friends and things they used to enjoy, is vital. If you notice signs of stress:

if you notice signs of stress.

- Encourage your teen to take a break. Sometimes just listening to music or watching an old movie can offer some stress relief.
- Discourage negative self-talk.
 Teens under stress sometimes think that nothing will ever change.
 Help your teen see that even small changes can make a difference.
- Help your teen break big challenges into smaller parts. A project can seem overwhelming. So find one small thing your teen can finish today.

Responsibility prepares teens for adulthood

Teens are basically in training for adulthood. Assuming more responsibility for themselves is the

way they get there.

To promote responsibility, encourage your teen to:

- Use a calendar to manage time. Seeing school deadlines alongside other responsibilities helps teens plan when to accomplish everything.
- Schedule appointments. This gives teens more control over their schedules and lets them practice valuable social skills.
- Set a budget and stick to it.
 Teens may have spending
 money from an allowance
 or a part-time job. A budget
 helps them pay attention
 to their spending—and see
 that adding to savings can be
 rewarding.
- Plan a family project. Teens can research the steps to take and come up with a budget.
- Read the news. Learning about the issues world leaders deal with helps teens see that their responsibilities (such as studying for that history test) aren't that bad!

Principal Approved Absences

Successful completion of high school courses results in the issuance of Carnegie units needed for a high school diploma.

Since our high schools and program schools operate on a 4 x 4 block schedule, it is crucial that students miss as few days as possible.

Based on this information, it is not feasible for our secondary schools and program schools to grant principal-approved days effective this year. Religious-based camps, retreats, trips, and conferences are not excused.

Absences due to major religious holidays are excused. Please send notes to the attendance office regarding absences for religious holidays.

Registered drivers will receive an ECHS placard to place in the window on the dash near their HGTC parking decal.

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an allhazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- · Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location.
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area.
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside, Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.

Bus Transportation

Students planning to ride the bus can contact the bus office for their attendance area to get information on route numbers and pick up times.
