# THE BLAZE

Official Newsletter of HCS Early College High School

"Endless Possibilities"

*from the desk of Ms. Williams...*

Trailblazers,

March 25 will be the last day of the Q3 grading quarter. Report cards will be emailed to parents on Friday, March 29, 2024. Parents are reminded to check their email for progress reports as Friday, March 29 is the first day of spring break.

This week, Horry County Schools will be posting a new icon on all of our students' school-issued computers/iPads to encourage students to say something if they see something. When a student clicks on the red icon, it will automatically direct him/her to a page to report a safety concern. With this new option, students can report a safety issue they have experienced/witnessed at their respective schools and do so anonymously if they choose to do so. Monday evening, please ask your student about the new icon.

We will administer the WIN test on Tuesday, March 26, 2024. The South Carolina Career Ready Test is a career readiness test administered to all eleventh-grade students to measure the most common skills that employers define as foundational for career readiness. Students are assessed in four key areas: Soft Skills Assessment, Math Assessment, Reading Assessment, and Data Assessment. The data from the test will become a part of our school's report card. All juniors are encouraged to get a good night's rest and eat breakfast on the morning of the test.

Please read below for additional important updates and reminders.

## A new reporting icon available on your computer

We are replacing the bullying incident report icon on your school-issued computer/iPad with a new icon. (*See the red icon at the bottom of this message.*) When you click on the new red icon, it will take you to a page where you will see several ways you can report information. These include:

- An email address ([saysomething@horrycountyschools.net](mailto:saysomething@horrycountyschools.net)) that you can use to email a district staff member who can let administrators at your school know about the situation.
- An "If You See Something, Say Something®" form you can fill out anonymously that will be sent to a district staff member who will pass it on to your school's administration.
- A phone number (843-915-7767) that will connect directly to law enforcement.
- An email address ([srotips@horrycounty.org](mailto:srotips@horrycounty.org)) that you can use to send an email to law enforcement.

## **HGTC March 18 - 22**

- Students will report to College Coverage during HGTC class time for spring break
- Students must report to school on time

## **HCS/ECHS March 29 - April 05**

## High School Parents<sup>®</sup>

March 2024  
Vol. 31, No. 7

Horry County Schools

***still make the difference!***

### Teach your teen how to take responsibility for academics

**H**igh school is a time to give teens more responsibility. Yet when it comes to academics, it can be hard for some adults to surrender control.

It's essential to be aware of what your teen is learning in school and to get involved when problems arise. However, it's also important to let your high school student take the lead.

Why? Because studies show that when families assume the majority of responsibility for their teen's school performance, academics can suffer. These teens are also more likely to become anxious and depressed.

To shift responsibility to your teen:

- **Expect your teen** to be in charge of assignments. Share time management strategies. Then, allow your teen some space to put them into action. Review progress once a day, rather than once every 15 minutes.

- **Encourage your teen** to solve school problems independently. Questions about a grade? Your teen should talk to the teacher. Failed a big test? Your teen should work with the teacher to create a plan for raising the grade. These are skills that lead to success in college and on the job, so let your teen learn what to say and do now.
- **Choose your words carefully.** "We" don't have a big paper due on Monday—your teen does. Always remember that it's your student's responsibility to fulfill commitments on time. If you hear yourself talking about *our* science project, it's time to take a step back.

Source: K. Reed and others, "Helicopter Parenting and Emerging Adult Self-Efficacy: Implications for Mental and Physical Health," *Journal of Child and Family Studies*, Springer US.

### Help your teen create a positive digital footprint

Many teens don't realize that the choices they make online can affect their future.

Of course, students have the right to free speech. But courts have set limits on what students can say in school settings. And there's a big difference between what students are *allowed* to do and what they *should* do online. Colleges and employers look at students' social media activity.

To manage an online image, encourage your teen to:

- **Delete inappropriate posts.** While nothing ever completely goes away online, cleaning up social media accounts is a wise first step.
- **Practice polite and respectful** interactions online through comments, messages or posts.
- **Share content** that highlights achievements, positive experiences and community involvement.
- **Follow colleges** and business of interest. Your teen can comment on or share their posts.

## SENIOR AVID NEWS

### WHAT'S HAPPENING IN AVID 402

The seniors have gotten their new semester off the ground at HGTC, with many set up to finish their Associate's Degree in the spring or summer. We have completed graduation applications for HGTC in class this week in preparation for the May 1, 2024 event. We have also started our Budget Challenge and are ready to learn how to be financially responsible adults in the future. Many seniors have already completed their 2024-2025 FAFSA forms. If you haven't, get in contact with Mrs. Johns or Dr. Adams as soon as possible.

## Principal Approved Absences

Successful completion of high school courses results in the issuance of Carnegie units needed for a high school diploma.

Since our high schools and program schools operate on a 4 x 4 block schedule, it is crucial that students miss as few days as possible.

**Based on this information, it is not feasible for our secondary schools and program schools to grant principal-approved days effective this year. Religious-based camps, retreats, trips, and conferences are not excused.**

Absences due to major religious holidays are excused. Please send notes to the attendance office regarding absences for religious holidays.

# STANDARD RESPONSE PROTOCOL

## INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

## COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

## HOLD

"In Your Classroom or Area"

**Students** are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

**Adults and staff** are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

## SECURE

"Get Inside. Lock outside doors"

**Students** are trained to:

- Return to inside of building
- Do business as usual

**Adults and staff** are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

## LOCKDOWN

"Locks, Lights, Out of Sight"

**Students** are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

**Adults and staff** are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

## EVACUATE

"To a Location"

**Students** are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

**Adults and staff** are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

## SHELTER

"State Hazard and Safety Strategy"

**Hazards** might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

**Safety Strategies** might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

**Students** are trained in:

- Appropriate Hazards and Safety Strategies

**Adults and staff** are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

# STANDARD RESPONSE PROTOCOL

## PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

## SECURE

**"Get Inside. Lock outside doors"**

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

### SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

### WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

### WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

## LOCKDOWN

**"Locks, Lights, Out of Sight"**

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

### SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

### SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

### WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

### CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.
