It's not just convenient, it's economical. Stony Brook tuition and fees are waived.

Stony Brook's Accelerated College Education (ACE) Program will provide you with the academic challenges of college-level curriculum within your high school setting. Enrollment in ACE courses may provide you with future opportunities, such as the ability to enroll in higher-level college courses or to complete your bachelor's degree in a shorter amount of time. Upon successful completion of ACE course requirements, you will receive credit from Stony Brook University for the course(s) in which you have enrolled and for which you have paid.
