Quarter 1-2024/2025

CLASSROOM GUIDANCE

September classroom guidance lessons for grades 6-8 consist of learning about Social Inclusion. Topics of discussion include how to create a socially inclusive school community with three simple steps: see someone alone, reach out and help, start with hello. Make sure to ask your child about the lesson!

REMINDERS

Attendance Counts!

- If a student misses 2 days a month they will miss...20 days a year and over 1 year of school by high school graduation.
- Attending school regularly helps children feel better about school--and themselves.

RESOURCES

Back to School Transitions: Tips for Parents (click link) discusses how to ease the transition back to school to promote a successful school experience.

EVENTS

October is National Bullying Prevention Month. We will recognize it by having Upstander Week where we will teach students how to intervene on behalf of a person being bullied.
