

What is a School - Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress.
- Describe opportunities for parents to observe, volunteer, and participate in the classroom.

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students completed comment cards to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents. Please call 706-812-7988 or visit our website, hope.troup.org for more information on the school-parent compact.

Building Partnerships

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Any time parents visit THA our partnership is strengthened. Events will be shared in our handbook, on our website and posted to our Social Media. We hope to see you this year!

Communication About Student Learning

The HOPE Academy is committed to frequent two-way communication with our families about student learning. Some of the ways you can expect us to reach you are:

- Updates on our school website
- Phone Calls & Emails
- SchoolStatus Connect
- Parent conferences
- Newsletters
- Social Media
- Home visits

Academic Achievement Goals

District Goals:

The Troup County School District will increase the percentage of the students scoring at the Development Learner level or above in mathematics on the Georgia Milestones End of Grade (EOG) Assessment.

School Goals:

The HOPE Academy Middle School will increase ELA/Reading scores by 10% on the Georgia Milestones End of Grade (EOG) Assessments.

The HOPE Academy Middle School will increase Math scores by 10% on the Georgia Milestones End of Grade (EOG) Assessments.

As a school, we will...

Provide monthly reading passages for support, on target, and extended learning for students' practice at home.

Provide monthly math word problems to practice math skills at home.

Provide test taking skills and strategies to practice at home.

As parents, we will...

Work through math word problems together.

Engage in reading to, with, and by the student.

Practice cross-curricular vocabulary or tier 2 terms.

6th - 8th Grade:

Area of Emphasis

- Use literacy skills to solve mathematical word problems.
- Use literacy skills to improve reading comprehension.

As students, we will...

Students will read the monthly reading passage at home.

Students will work through the monthly math word problems at home.

Students will work on test taking strategies and skills at home.

My own personal goal for MATH is:

My own personal goal for READING is:
