Re: George and Mary Josephine Hamman Foundation Scholarship Program

Dear Counselor:

The George and Mary Josephine Hamman Foundation appreciates your efforts to share our scholarship with your graduating seniors that may qualify. For the 2024/2025 school year, the George and Mary Josephine Hamman Foundation will offer seventy (70) scholarships to Houston area high school seniors for undergraduate study. The award is \$25,000, disbursed over four years, by semester (or until the student graduates, if earlier), provided the student conforms to the requirements set forth in the award. The student may select any major at any four-year college or university in the United States. Students are eligible to complete and submit their online application after September 15th of their senior year. Scholarships are awarded based on financial need and academic achievement, and are available to U.S. citizens who are graduating seniors of high schools in Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery and Waller Counties.

The scholarship application and any required forms can be completed online by going to our website, www.hammanfoundation.org, clicking on the Scholarship Guidelines tab and following the instructions. Please remind your students that the application and all required forms must be filled in completely and that any missing information could result in the student's application to not be considered.

The deadline for receipt of applications is February 16, 2025. Students are encouraged to submit early to ensure that their application is received in a timely manner and not wait until the deadline. **Finalists** will be notified via email no later than mid-March.

Thank you for your assistance in disseminating our George and Mary Josephine Hamman Foundation Scholarship Program information to your students.

Please feel free to contact our office at 713-521-4601 or students@hammanfoundation.org if you have any questions.

Sincerely,
