SENIOR AVID NEWS

WHAT'S HAPPENING IN AVID 401

The seniors have been busy in AVID 401 this year. We have completed college applications, done test prep for ACT and SAT, learned about the Cost of Attendance at College, and learned about financing higher education.

We have just started learning about Recommendation letters-how to ask and who to ask. They have also spent some time on several Scholarship websites. Some of those sites are: Ms. Adams' Google Classroom, Appily.com and Collegeboard.org.

Making the Most out of Winter Break

As we move closer to the end of the semester, it is time to start thinking about finals, making your last few assignments or grades count, and, finally, winter break. I am sure many of you are ready for some leisurely time off and many are well deserving of it. Some things you might want to spend the time off doing include: applying for scholarships, and test prep (if you haven't gotten the score you need).

As always, I will be here at Early College to assist you with anything you need or to answer questions. Make sure that you check your emails, check the Google classroom and keep the lines of communication open. Have a restful break and a safe and happy holiday!!
