SchoolLinks Parent Webinar

INTRODUCTION TO THE SCHOOLINKS COLLEGE AND CAREER READINESS PLATFORM

This virtual session will introduce parents and caregivers to SchoolLinks, the Olentangy Local School District's college and career readiness platform used by students in grades 6-12. The session will offer an overview of the platform and its features which helps students explore their strengths as they become career, college, and life ready. Features of the platform include college application features, virtual college visits, work and internship opportunities, and career exploration. Parents/guardians will also learn how to access the platform so that they can better help their child for what comes next.

Intro to SchoolLinks

October 23, 2024

6:30-7:30 p.m.

JOIN HERE

SchoolLinks helps students discover their interests and strengths, explore colleges and careers, and create a personal plan that best reflects their post-secondary goals.
