# PAC Goals for 2024-25

The purpose of the Committee is to support, encourage and improve the quality of education and the well-being of all students within Mt. Diablo Unified School District.

The Parent Advisory Council's mission is to engage families to help shape education policy and represent diverse parent voices in the statewide decision-making process.

The PAC is committed to helping close gaps in achievement and to create authentic engagement opportunities that will result in transformative outcomes for California students.

**MT. DIABLO**  
UNIFIED SCHOOL DISTRICT

The purpose of this committee shall be to review, recommend, and advise the district on matters pertaining to the Local Control Accountability Plan (LCAP) and Local Control Funding Formula (LCFF).

- Advise administration and staff on parents/families' views on any matter related to schools programs, practices policies, plans, and activities
- Communicate with parents/guardians and to promote parent/guardian engagement between home and school in providing for the education of their children
- Assist parents/families in access the system and to facilitate advocacy support for individual children and their parents/ family
- Assist in the planning, development, implementation and evaluation of the LCAP, using data to inform discussions.
- Assist with efforts to make parents aware of the district's policy and procedures relating to the programs and actions within the LCAP and other critical district plans.

# LCAP Goals

1

All students will receive a high quality education in a safe and welcoming environment with high expectations and rigorous instruction in the California State Standards that prepare them for college and career.

2

Highly qualified, culturally proficient, and responsive staff will create a safe and engaging learning environment respectful of all students' backgrounds ensuring they are college and career ready when they graduate.

3

Families and community members will be informed, and empowered as partners with Mt. Diablo Unified to support student learning and improve student outcomes.

4

Focal scholars, specifically African American students, Foster Youth, students experiencing homelessness, students with IEPs and multilingual students, will experience culturally responsive practices and be provided rigorous instruction within an educational environment that builds trust and inclusive partnerships between the students, families, and staff.

5

All students at Crossroads High School and Olympic High School will demonstrate a 6% increase in attendance rate and a 6% increase in on-pace graduation rate by June 2026, leading to an increase of 6% in graduation rates.
