Mix It Up Day

On **Wednesday, October 2nd** Warner students will celebrate Mix it Up day at lunch. It's a national campaign to encourage students to move out of their comfort zones and connect with someone new over lunch. It's a simple act with profound implications. When students interact with those who are different from them, biases and misperceptions can fall away. For this reason, there will be **No lunch visitors for any grade level on this day.** Ask your student about new friends they make on this special day.

CFISD Chromebook Week and Device Check

What is it?

Chromebook Week and Device Check are designed to effectively track Chromebooks and ensure that the device receives all the required updates. In addition, students can submit support tickets for any issues they encounter with their devices.

When is it?

Chromebook Week and Device Check will be the last full week in September, November, January, and March each school year. Tuesday, Wednesday, and Thursday will be the log-in days. Campuses choose the period or time of day.

What do we need students to do?

- Power off their devices and then turn them back on.
- Sign into their Google account and the student portal.
- Use the device for at least 15 minutes. Submit a support ticket if there are
- problems with the device.

What kind of issues require a support ticket?

- Cracked screen
- Touch screen not working correctly
- Device won't connect to the internet
- Headphones won't work when connected
- Cracks on lid or keyboard
- Missing keys
- Won't charge
- Lost charger/case/device

How can you help?

- Make sure that students bring their devices each day during Chromebook week.
- Help students follow the process of shutting the device down and then logging back into the device.
- Ask students if they have put a support ticket for device issues.
