

SCHOOL INSTRUCTIONAL CALENDAR

The Superintendent of Schools shall prepare the district's school instructional calendar by the spring of each year for the ensuing year that fulfills state requirements for attendance of not less than 180 days of instruction.

The school calendar shall be submitted to the Board of Education for approval. In order to protect the basic instructional program of the district and to conform with the requirements of the law, the Board reserves the right to make adjustments in the calendar as may become necessary due to unforeseen interruptions during the instructional calendar year.
